## Philips Lumea Prestige

Being spontaneous feels great, that's why Philips presents the new Lumea Prestige. It uses IPL technology, emitting gentle and effective light pulses to prevent hair regrowth at the root. After just 3 treatments, experience up to 92% of hair reduction\*. Plus, make use of the 3 different attachments, uniquely designed for hair-free skin all over. Say hello to baby-soft skin and discover the joy of being carefree again. Discover your beauty. Every day.

There's always a way to make life better.
