

The background of the advertisement is a photograph of a Philips Spectral CT 7500 scanner in a clinical setting. The scanner is a large, light blue machine with a prominent circular gantry opening. A patient bed is positioned in the center, extending from the foreground into the gantry. The room is brightly lit, and the overall color palette is dominated by shades of blue and white. In the top left corner, there is a white box containing the Philips logo and the product name. The main text is overlaid on the left side of the image, and the bottom section of the advertisement has a solid blue background with white text.

PHILIPS

Spectral

CT 7500

It's not just CT.
It's spectral results
without compromise.

The new Philips Spectral CT 7500 is your fast, always on, low-dose path to precision diagnosis for scanning a wide range of patients. With advances in cardiac imaging and zero compromise scanning, Spectral CT 7500 supports imaging that's first time right. It's spectral-detector CT that allows you to expand your cardiac and ED/trauma capabilities, and opens up new possibilities in interventional and radiation oncology procedures.

You know Philips CT. Now it's time to get to know Philips Spectral-detector CT.
